

Stena Confidential AB – now a part of the Stena Metall Group

Stena Confidential AB will become a separate entity within the Swedish-based Stena Metall Group on May 1, 2024.

Starting May 1, 2024, Stena Recycling AB will transfer your agreement related to confidential services (including rights and obligations under such agreements) to Stena Confidential AB, org.nr 559418-7287. Stena Confidential will be the new contracting party to these agreements.

As a customer of Stena Confidential AB, you will continue to have a secure process, with the same security and control in every part of the chain. You will continue to be served by the same safetyconscious and competent staff.

We simply make sure that neither secrets nor materials leave unwanted traces. We maintain close collaboration with our sister company Stena Recycling AB. It is the combination of specialization in handling confidential material and material recycling that is our strength. Once confidential data is deleted, we also take care of the physical materials in a sus-tainable way, by bringing them into a circular economy. If you have services from both Stena Recycling AB and Stena Confidential AB, you will receive two invoices.

If you have any questions, please contact your regular contact person. You can always reach our customer support by [e-mail](#) or by phone +46 10 – 445 17 10.

You can find the latest information on our [website](#), the information will be supplemented to answer any questions that come.

Welcome to Stena Confidential AB, we look forward to continuing our good cooperation with you!

Yours sincerely,
Sofia Mattsson

Operative Managing Director, Stena Confidential
